I have been an English Teacher in a secondary school for 27 years and in that time have worked as Curriculum Leader and Raising Attainment Manager. I was a Staff Governor in my school for 4 years but have now become a Parent Governor at Green Park Primary School, which my two youngest sons attend.

At Green Park I am currently Safeguarding Governor and serve on the Quality of Education Committee, ensuring standards are as high as they can be.

In my own school I am the Health and Safety Rep, Chair of the Staff Committee, and Staff Well-Being Lead.

My whole career has been focused on education and now my eldest son is in Year 7 at Deyes High, I feel this is a role that I have plenty to offer. I know I have the experience, dedication, and reliability that this role demands.
