

Leon Carroll	Parent Governor
---------------------	------------------------

I have over 20 years working in senior management in private, public and charity sector institutions. I have held various roles including Area Manager at LA Fitness covering various regions from Lincoln to Scotland and Ireland and was also Interim CEO for Warrington Youth Club.

During my time at Livewire Leisure Trust I was involved in a £26 million redevelopment of the Great Sankey Neighbourhood Hub as well as managing the building and facilities programmes.

As a parent I want to ensure the best for all the young people who attend Deyes High School and support staff, the Head and my fellow Governors to ensure the school has the highest standards possible.
