

I AM ABSOLUTELY DELIGHTED
AND PRIVILEGED TO BE
THE ASSISTANT HEAD
TEACHER OF DEYES HIGH
SCHOOL WHO HAS THE
RESPONSIBILITY FOR
SUPPORTING YEAR 6 STUDENTS
AS THEY JOIN US IN YEAR 7

“

As a school, we understand young people only get one chance to experience school-life and our aim is very simple: to support them to grow into confident and independent students with high aspirations, a love of learning and strong community values

Our school is a very special community that we are incredibly proud of. It is made up of approximately 1400 unique students (11-18), supportive parents, forward thinking governors, as well as an inspirational and talented body of staff who are fully committed to delivering a broad and balanced curriculum in an engaging and dynamic way.

Our school is a safe, caring and happy place for our students and they enjoy attending all lessons. We take every opportunity to praise and celebrate their successes as well as having every student's full academic potential and high standards of learning at the forefront of our practice

We also recognise the importance of encouraging our students to pursue all of their interests. They are given many opportunities to develop their leadership skills and we are lucky that our staff are very dedicated, giving up their own time to provide a wide range of extra-curricular activities before and after school.

Our caring and supportive ethos enables our students to move forward as confident, caring and respectful young people who are ready for their next stage in life. Quite simply, we want them to be the very best that they can be.

Since opening in 2010, our sixth form, College@Deyes, has established itself as a leading post-16 provider within Sefton, attracting a growing number of students from a range of local schools. We are delighted that students now see us as the natural progression from school to college.

I think our school and our students speak for themselves so please take some time to visit all of the areas on our 'Joining Deyes in Year 7' page on our website which can provide you with a lot of information about our school. I would also encourage you to also speak to our students, parents/carers and primary schools so that they can also tell you what a community of passionate professionals we are, as committed to your child's future as you are.

We look forward to welcoming you to
#Team Deyes in the near future!
