January 2022

Dear Parents and Carers,

### **Invitation to view an Online Public Exhibition relating to the proposed replacement of Deyes High School, Maghull**

It has been some time since I have been able to share news with you about our new school. However, there has been extensive work taking place behind the scenes throughout this period of time. As a result, we are now delighted to announce that our plans to build a new school have reached an important stage and we would like to invite you to join us on the next part of our journey.

Our work with the Department for Education and our appointed contractor Kier Construction and its design team has enabled us to develop a proposal which meets the School's educational needs and that fits well on the school site. No changes are proposed to College@Deyes 6th Form which will be retained and incorporated into the new school campus.

We would like to invite you to view an online exhibition of the proposals and make any comments before a planning application is submitted to Sefton Council. This will enable us to gather and consider your views prior to the submission of the planning application. This does not affect your right to comment on the proposals during the statutory planning consultation period undertaken by Sefton Council.

The online exhibition will be available from **Tuesday 1st February to Tuesday 15th February 2022** and can be viewed at <https://www.deyeshigh.co.uk/newbuild/>. Please note that the information will not be available until the exhibition start date (1st February 2022).

We will consider all comments received prior to submitting a planning application and a summary of the responses will accompany the submission.

We hope that you will be able to view the plans online and that you are as excited as we are to take these next steps.

With kind regards,

Mrs Victoria L Beaney  
Head of School
