

**College@
Deyes**

Destination **Success.**

Welcome to College@

"The sixth form provides rich experiences that prepare students effectively for the next stage of their education, training or employment.

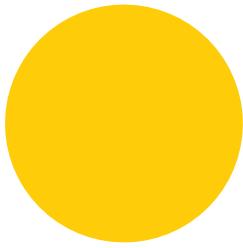

Ofsted 2015."

College@Deyes combines first class teaching with state-of-the-art facilities and pastoral care. This ensures all students are supported and challenged to take their learning to the next level. All course tutors are leading educators in their field with outstanding subject and course knowledge, whilst our learner support team provide expert coaching on both personal development and careers guidance.

Our staff and students are committed and determined to do whatever it takes to achieve academic excellence. This in turn results in truly extraordinary achievements. Our alumni can be found succeeding in nationally and internationally renowned universities and places of work. Their drive, manners and sense of social responsibility are testament to the fully rounded approach to every student's education here at College@Deyes. I look forward to working with you in the very near future.

Pete Duffy
Head of School,
Deyes High School

Anne Stahler
Executive Head Teacher,
Deyes High School

Deyes

Charlotte Ryan is now reading Chemistry at Birmingham University.

Charlotte achieved the following A levels: Grade A* Mathematics, Grade A* in Chemistry and Grade A in Physics.

"I have been at Deyes for 7 years now and whether it is extra curricular or academic support ,it is always available.

Teachers are willing to work around the clock to help you succeed, personal tutors are always available to help you thrive during the transition into College."

Charlotte Baggaley is now reading Law at Liverpool University.

Charlotte achieved the following A levels: Grade A in History, Grade A in RE and Grade A in English Literature.

"I believe College@Deyes has a positive atmosphere between staff and students. There are many opportunities and social events to form a strong community such as, a Halloween Party, end of year sixth form barbecue and fun sports day. Everyone is friendly allowing everyone to enjoy their two years here."

Callum Beeston is now reading Natural Sciences at Churchill College, Cambridge.

Callum achieved the following A levels: Grade A* Mathematics, Grade A* in Chemistry, Grade A* in Physics and Grade A* in Further Mathematics.

"An important part of College is preparing for University and we get a lot of support from staff who help us through the whole UCAS process.

We're given many opportunities to go and visit different universities and we're provided with information about open days and other events.

There is also a trip to Cambridge University for those who are considering applying there, which is a very useful and fun experience."

Developing young people to be at the **“cutting edge”** of society.

“The teachers at College@Deyes are inspirational and totally committed to the students they teach. This combined with our excellent students is a winning combination.”

P Delaney

Welcome to College@Deyes, built on the foundation of true academic excellence which is Deyes High School.

College@Deyes is a great place to be a student and there are many reasons why our young people are amongst the highest achieving in the country.

Those who opt to come to us can choose from a wide range of subjects to find a course that is just right for them. There are more than 35 A-Level choices along with tailored packages for more vocational routes, together with opportunities to improve GCSE scores.

We PRIDE ourselves on TEAMWORK.

All our staff want the VERY BEST for EVERY student. They will go the EXTRA MILE to support students on the pathway to SUCCESS both now and after they have left us.

We look forward to meeting you.

Mr P. Delaney
College@Deyes

College@ Deyes

**Our aim is to provide
study programmes for
each of our students with:**

- A first class education for all
- Excellent teaching
- Substantive qualifications
- Meaningful work experience
- High quality resources
- Innovative learner support
- Clear progression pathways to
University and employment

Photography
Dance
Physics
Economics
Psychology

Engineering
Pure Mathematics and Mechanics
English Literature
Pure Mathematics and Statistics
French
Sociology
Further Mathematics
Spanish
Geography
Technology
Government and Politics
Textiles
History
Theatre Studies

Collaboration

To ensure the maximum choice of subjects, and the greatest range of option combinations we work in collaboration with Maricourt Catholic High School and Maghull High School.

How many subjects can I study?

Most students here, and nationally, study 4 subjects, reducing to 3 in the second year.

Where can I find out more information about subjects?

You can download information from our website, speak to Mr Delaney at the College or pick up course leaflets at our Open Evenings.

Vocational Packages:

- Business, ICT and Sport
- ICT, Health and Applied Science
- Business, ICT and Engineering

Matthew Kimmins is now reading Marketing at Edge Hill University. Matthew achieved the following qualifications: Grade Distinction* in Media, Grade Distinction* in ICT and Distinction* in Business.

"The vocational subjects I chose gave me a real insight into the world of work, through studying topics like Information Systems and Project Management."

Jack Dempsey is now reading History and Politics at Edge Hill University. Jack achieved the following qualifications: Grade A in History, Grade Distinction* in ICT and Distinction* in Business.

"The teachers are very supportive and will always go that extra mile to help you".

Beyond the classroom individuality thrives

There is more to life at our college than just passing exams. We believe that all students should build up their CV OF LIFE, make new friends and embrace all opportunities.

We offer many extra-curricular activities to ensure that talents are nurtured and new interests are encouraged.

- Duke of Edinburgh Scheme (Gold Award)
- Primary School projects
- World challenge
- Film club
- Community Projects
- Drama and Dance
- Management team

**Edge Hill
University**

For those of you interested in pursuing a career in teaching we offer a pre-teaching course in conjunction with Edge Hill University.

A photograph of four students in outdoor gear standing on a grassy hillside. They are wearing jackets and carrying backpacks. The background shows a large body of water and a mountain range under a blue sky with some clouds. A large yellow circle is overlaid on the right side of the image, containing text.

Many of our enrichment activities enable students to add to their list of qualifications.

The following are examples of enrichment activities we have offered in recent years:

- Tomorrows Teachers
- SWIS Level 2
- ECDL Level2
- Sports Leadership Level 2
- General Studies Level 3
- Extended Project Level 3
- SWIS Level 3
- Introduction to Coding

Developing into young professionals

At College@Deyes we work to ensure that our students have every opportunity to develop their skills and knowledge in both an academic and a social setting.

This provides them with a chance to mix with students studying other combinations of subjects, to work within a variety of teams and to further develop the skills and confidence required in adult life.

Timetabled enrichment courses provide opportunities for students to gain experience in alternative areas beyond the taught curriculum.

In recent years these have included activities such as, working with primary children, embarking on industry standard qualifications and professional work placements.

Sophie Wells is now reading Medicine at Liverpool University. Sophie achieved the following qualifications: Grade A in Biology, Grade A in Chemistry and Grade A in Geography.

"Having the opportunity to further my education outside of the academic curriculum is something I have found very beneficial about enrichment. In Year 12 I used my Wednesday afternoons to complete work placements at Aintree Hospital. This enabled me to gain a place at Liverpool University. Along with my commitment to my studies this was a major factor in my successful application into Medicine."

Support services

At College@Deyes every student matters and we strive to support both inside and outside of the classroom.

Careers Guidance

We have a specialist careers team who assist in researching next steps and making the right choices for the future. They provide students with information about university entrance, gap years, access to work placements and employment.

Study Support

We offer individual help and support with planning and time management, extended projects and coursework requirements.

College Bursary

The College Bursary is designed to provide assistance to students who are experiencing difficulty in accessing or completing their course.

Funds can be provided to help towards travel, resources, books, equipment and materials.

Eligibility is assessed on parental income.

“An increasing proportion of students go on to study at the top universities. **Ofsted 2015.**”

A Personal Tutor offers you:

One to one discussions.
A weekly programme of topical issues.

Your link between home and college.
Advice and guidance.

“As a Personal Tutor at the College I am a supportive mentor for students. The relationship between Personal Tutor and Student is based on mutual respect. I really enjoy following the A Level journey of students, seeing them rise to the academic challenge and getting to know them as young adults.”

Mrs Dolly – Personal Tutor

Student services can issue advice and guidance on

- Examinations
- I.T.
- Health and wellbeing
- Transport

Stretch & challenge

At College@Deyes, we are keen to ensure that every student rises to their full potential.

We have the expertise, facilities and experience in supporting applications to the top universities, including Oxbridge and Russell Group Universities.

UNIVERSITY OF
CAMBRIDGE

UNIVERSITY OF
OXFORD

Oxford & Cambridge bound

The College offers extra support for Oxbridge applicants including visits, presentations, workshops and interview support.

Student profile - Callum Beeston

Subjects:
Grade A* Chemistry
Grade A* Biology
Grade A* in Mathematics
Grade A* Further Mathematics
Grade A* EPQ

Universities: Churchill College, Cambridge,
reading Natural Sciences

Mr Heywood gave Callum support with his personal statement and also conducted mock interviews.

Callum attended the Haydock Oxbridge conference and the Oxbridge 'personal statement and interview' day. Callum also attended the Oxbridge one day residential to get a flavour of what each college had to offer.

Location

The college is situated on Deyes Lane. Surrounded by good transport links, the College is easily accessible from a wide area.

We also consider transport support on an individual basis.

On Foot

The College is located 0.7 miles from Maghull town centre on Deyes Lane. Deyes Lane can be reached from Maghull town centre via Westway, Eastway, and Hunt Road or Liverpool Road North then Damfield Lane.

By Bike

There is an area for parking bicycles at the side of Deyes High School; College students can also use this facility.

By Rail

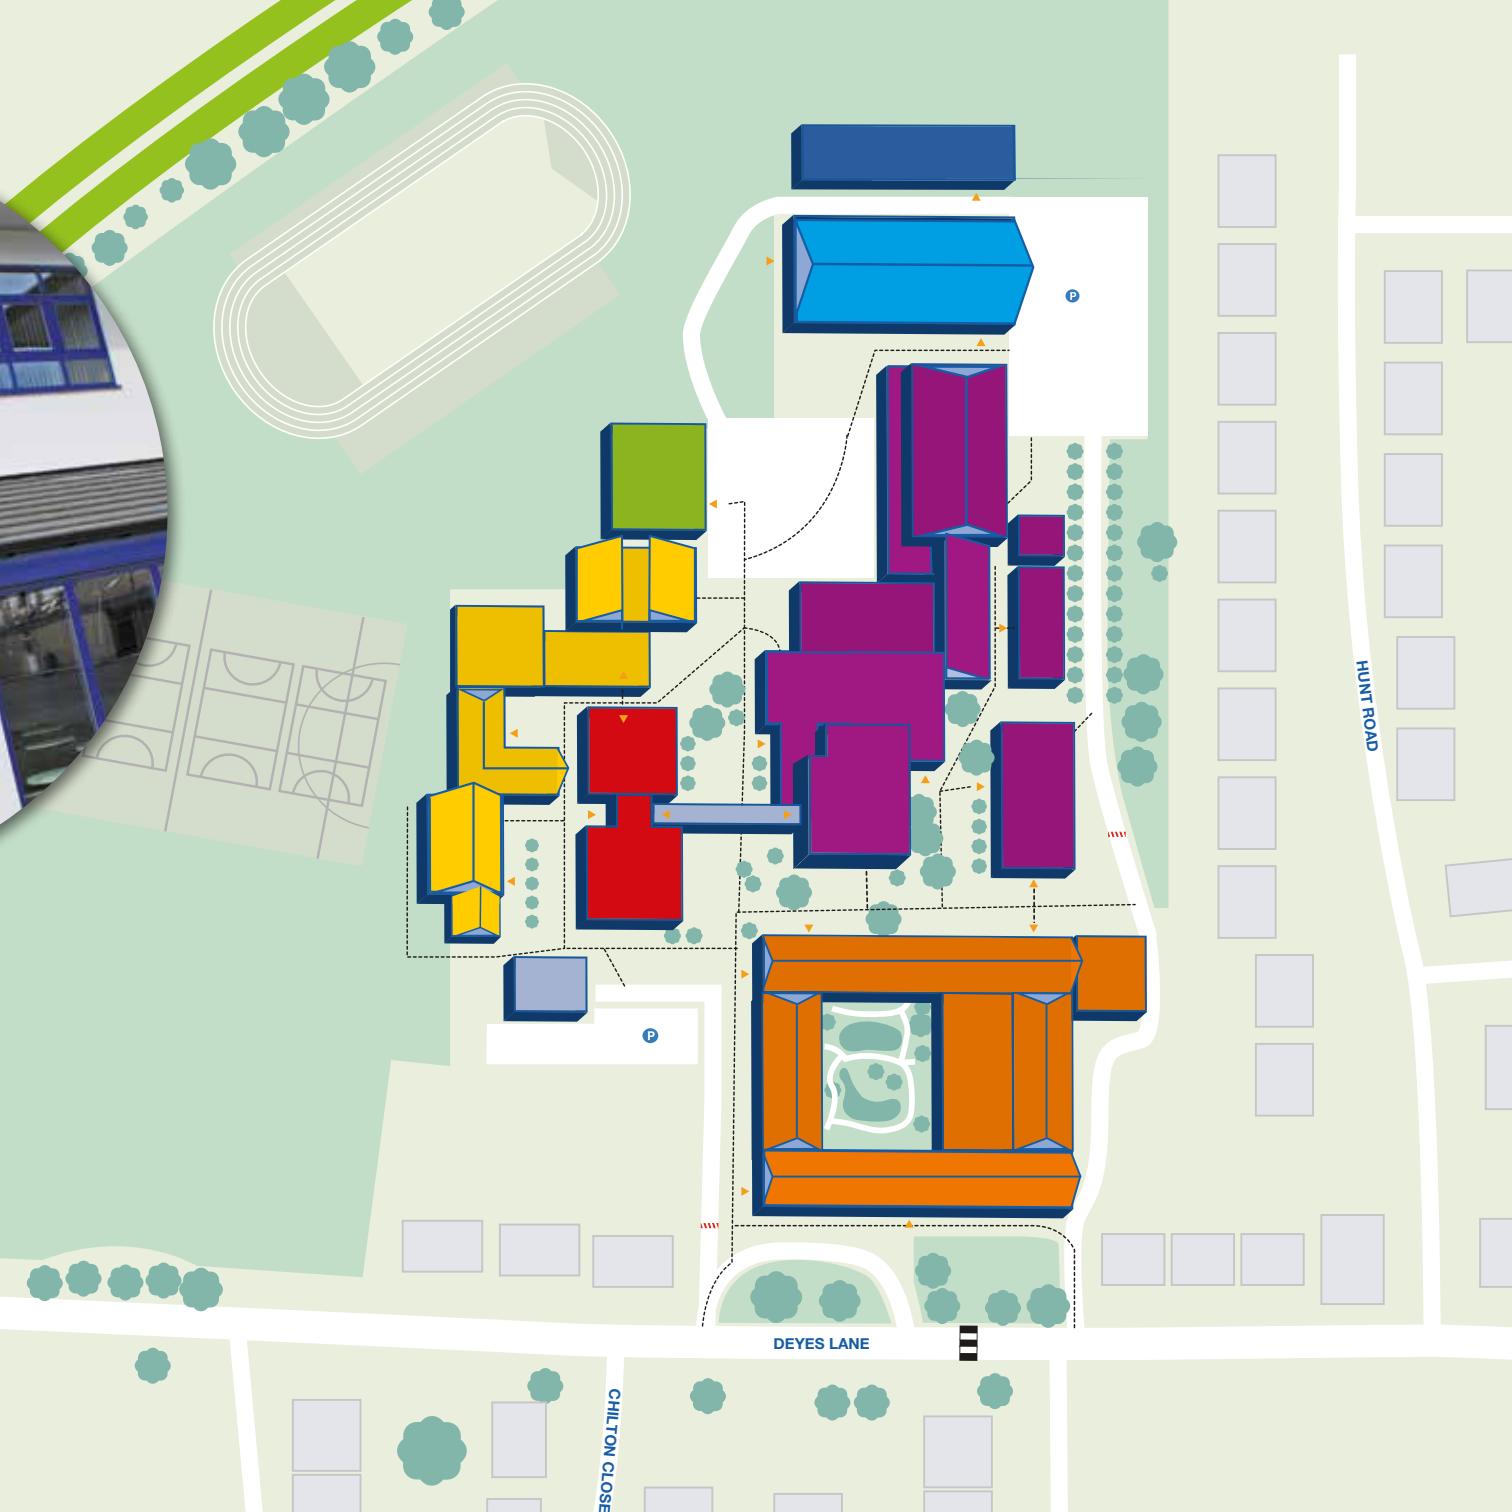

The College is a fifteen minute walk from Maghull rail station. This station is on the main line between Ormskirk station and Liverpool Central station. For timetables and costs, contact The Trainline on 0871 244 1545 or www.thetrainline.com

By Bus

Several public buses stop near the college including the numbers 231, 232 and 233. For timetables and prices contact the Traveline on 0871 200 2233 or www.merseytravel.gov.uk, 0151 227 5181.
