Destination Success.

Welcome to College@Deyes

College@Deyes combines first class teaching with state-of-the-art facilities and pastoral care. This ensures all students are supported and challenged to take their learning to the next level. All course tutors are leading educators in their field with outstanding subject and course knowledge, whilst our learner support team provide expert coaching on both personal development and careers guidance.

Our staff and students are committed and determined to do whatever it takes to achieve academic excellence. This in turn results in truly extraordinary achievements. Our alumni can be found succeeding in nationally and internationally renowned universities and places of work. Their drive, manners and sense of social responsibility are testament to the fully rounded approach to every student's education here at College@Deyes. I look forward to working with you in the very near future.

"Teaching in the sixth form is well planned and resourced."

Pete Duffy
Head of School,
Deyes High School

Anne Stahler
Executive Head Teacher,
Lydiate Learning Trust

Jasmine Helm is now reading Psychological Sciences at Liverpool University.

Jasmine achieved the following A levels: Grade A* in Psychology, Grade B in History and Grade C in Biology.

"I have been at Deyes for 7 years now and whether it is extracurricular or academic support, it is always available.

Teachers are willing to work around the clock to help you succeed, personal tutors are always available to help you thrive during the transition into College."

Elliot Reid is now reading Architecture at Nottingham University.

Elliot achieved the following A levels: Grade A* in Art, Grade B in RE and Grade B in History.

"I believe College@Deyes has a positive atmosphere between staff and students. There are many opportunities and social events to form a strong community such as, a Rowan Park Christmas Party, end of year sixth form barbecue and fun sports day. Everyone is friendly allowing everyone to enjoy their two years here."

Joel Orford is now reading Chemical Engineering at Lancaster University.

Joel achieved the following A levels: Grade A in Mathematics, Grade A in Chemistry and Grade A in Physics.

"An important part of College is preparing for University and we get a lot of support from staff who help us through the whole UCAS process. We're given many opportunities to go and visit different universities and we're provided with information about open days and other events. There is also a trip to Cambridge University for those who are considering applying there, which is a very useful and educational experience."

Developing young people to be at the **“cutting edge”** of society.

Welcome to College@Deyes, built on the foundation of true academic excellence which is Deyes High School.

College@Deyes is a great place to be a student and there are many reasons why our young people are amongst the highest achieving in the country.

Those who opt to come to us can choose from a wide range of subjects to find a course that is just right for them. There are more than 35 A-Level choices along with tailored packages for more vocational routes, together with opportunities to improve GCSE scores.

We PRIDE ourselves on TEAMWORK.

All our staff want the VERY BEST for EVERY student. They will go the EXTRA MILE to support students on the pathway to SUCCESS both now and after they have left us.

We look forward to meeting you.

Mr P. Delaney
College@Deyes

“The teachers at College@Deyes are inspirational and totally committed to the students they teach. This combined with our excellent students is a winning combination.”

P Delaney

College@
Deyes

Our aim is to provide study programmes for each of our students with:

- **A first class education for all**
- **Excellent teaching**
- **Substantive qualifications**
- **Meaningful work experience**
- **High quality resources**
- **Innovative learner support**
- **Clear progression pathways to University and employment**

Mathematics Further
Maths GCSE
PE
Performing Arts
Philosophy and Ethics (RE)
Physics
Psychology
Sociology
Spanish

"Students benefit from high quality careers advice and a wide range of enrichment activities".

Ofsted 2019

Collaboration

To ensure the maximum choice of subjects, and the greatest range of option combinations we work in collaboration with Maricourt Catholic High School and Maghull High School.

How many subjects can I study?

Most students here, and nationally, study 3 subjects. But we offer 4 subjects to students who have the necessary entry requirements.

Where can I find out more information about subjects?

You can download information from our website, speak to Mr Delaney at the College or pick up course leaflets at our Open Evenings.

Vocational Packages:

- Business, ICT and Sport
- ICT, Health and Applied Science
- Business, ICT and Engineering

William Atlay is now reading Computer Science at Lancaster University. William achieved the following qualifications: Grade Distinction in Business, Grade Distinction in ICT and Grade D in English Literature.

"The vocational subjects I chose gave me a real insight into the world of work, through studying topics like Information Systems and Project Management."

Lucy Browne is now reading Adult Nursing at Liverpool John Moores University. Lucy achieved the following qualifications: Grade Double Distinction in Applied Science and Distinction in Health.

"The subjects I chose gave me the knowledge needed to apply for nursing. I was able to apply my learning to real life medical situations during my nursing interview".

Beyond the classroom individuality thrives

There is more to life at our college than just passing exams. We believe that all students should build up their CV OF LIFE, make new friends and embrace all opportunities.

We offer many extra-curricular activities to ensure that talents are nurtured and new interests are encouraged.

- Duke of Edinburgh Scheme (Gold Award)
- Primary School projects
- World challenge
- Film club
- Community Projects
- Drama and Dance
- Management team

For those of you interested in pursuing a career in teaching we offer a pre-teaching course in conjunction with Associated Merseyside Partnership School Initial Teacher Training. (AMP SCITT)

Many of our enrichment activities enable students to add to their list of qualifications.

The following are examples of enrichment activities we have offered in recent years:

- Sports Leadership Level 2
- Extended Project Level 3
- Cyber Centurion (Coding)
- Mock Bar Trials
- Student Investor Challenge
- NCS
- F1 in Schools
- Lessons from Auschwitz

Developing into young professionals

At College@Deyes we work to ensure that our students have every opportunity to develop their skills and knowledge in both an academic and a social setting.

This provides them with a chance to mix with students studying other combinations of subjects, to work within a variety of teams and to further develop the skills and confidence required in adult life.

Timetabled enrichment courses provide opportunities for students to gain experience in alternative areas beyond the taught curriculum.

In recent years these have included activities such as, working with primary children, embarking on industry standard qualifications and professional work placements.

Tom Robson is now reading Dentistry at Liverpool University. Tom achieved the following qualifications: Grade A* in Biology, Grade A in Chemistry and Grade A in Mathematics.

"Having the opportunity to further my education outside of the academic curriculum is something I have found very beneficial about enrichment. In Year 12 I used my Wednesday afternoons to complete work placements at The Royal, Nursing Home and various Dental Practice placements. This enabled me to gain a place at Liverpool University. Along with my commitment to my studies this was a major factor in my successful application into Dentistry."

Developing good citizens

Our core values bind our community together and underpin the outstanding achievements of our students.

College@Deyes recognises the importance of developing the 'whole person' and our core values evidence the aspirations of all members of our learning community.

We believe that future citizens will be defined as much by their beliefs and values as by their achievements and qualifications.

We offer supportive pastoral care that embodies these core values and provides guidance and experience to nurture our students towards valuing themselves, their college and their community.

Our **core values** are at the centre of all that we do.

Support services

At College@Deyes every student matters and we strive to support both inside and outside of the classroom.

Careers Guidance

We have a specialist careers team who assist in researching next steps and making the right choices for the future. They provide students with information about university entrance, gap years, access to work placements and employment.

Study Support

We offer individual help and support with planning and time management, extended projects and coursework requirements.

College Bursary

The College Bursary is designed to provide assistance to students who are experiencing difficulty in accessing or completing their course.

Funds can be provided to help towards travel, resources, books, equipment and materials.

Eligibility is assessed on parental income.

"Students said they have been well prepared as young adults about to enter the world of work or higher education."

Ofsted 2019

A Personal Tutor offers you:

One to one discussions.
A weekly programme of topical issues.

Your link between home and college.
Advice and guidance.

"As a Personal Tutor at the College I am a supportive mentor for students. The relationship between Personal Tutor and Student is based on mutual respect. I really enjoy following the A Level journey of students, seeing them rise to the academic challenge and getting to know them as young adults."

Mrs Dolly – Personal Tutor

Student services can issue advice and guidance on

- Examinations
- I.T.
- Health and wellbeing
- Transport

Stretch & challenge

At College@Deyes, we are keen to ensure that every student rises to their full potential.

We have the expertise, facilities and experience in supporting applications to the top universities, including Oxbridge and Russell Group Universities.

Student profile -
Callum Beeston

Subjects:
Grade A* Chemistry
Grade A* Biology
Grade A* in Mathematics
Grade A* Further Mathematics
Grade A* EPQ

Universities: Churchill College, Cambridge.
reading Natural Sciences

Mr Heywood gave Callum support with his personal statement and also conducted mock interviews.

Callum attended the Haydock Oxbridge conference and the Oxbridge 'personal statement and interview' day. Callum also attended the Oxbridge one day residential to get a flavour of what each college had to offer.

UNIVERSITY OF
CAMBRIDGE

UNIVERSITY OF
OXFORD

Oxford & Cambridge bound

The College offers extra support for Oxbridge applicants including visits, presentations, workshops and interview support.

Location

The college is situated on Deyes Lane. Surrounded by good transport links, the College is easily accessible from a wide area.

We also consider transport support on an individual basis.

On Foot

The College is located 0.7 miles from Maghull town centre on Deyes Lane. Deyes Lane can be reached from Maghull town centre via Westway, Eastway, and Hunt Road or Liverpool Road North then Damfield Lane.

By Bike

There is an area for parking bicycles at the side of Deyes High School; College students can also use this facility.

By Rail

The College is a ten minute walk from both Maghull and the new Maghull North rail station. This station is on the main line between Ormskirk station and Liverpool Central station.

For timetables and costs, contact The Mersey Rail on www.merseyrail.org

By Bus

Several public buses stop near the college including:

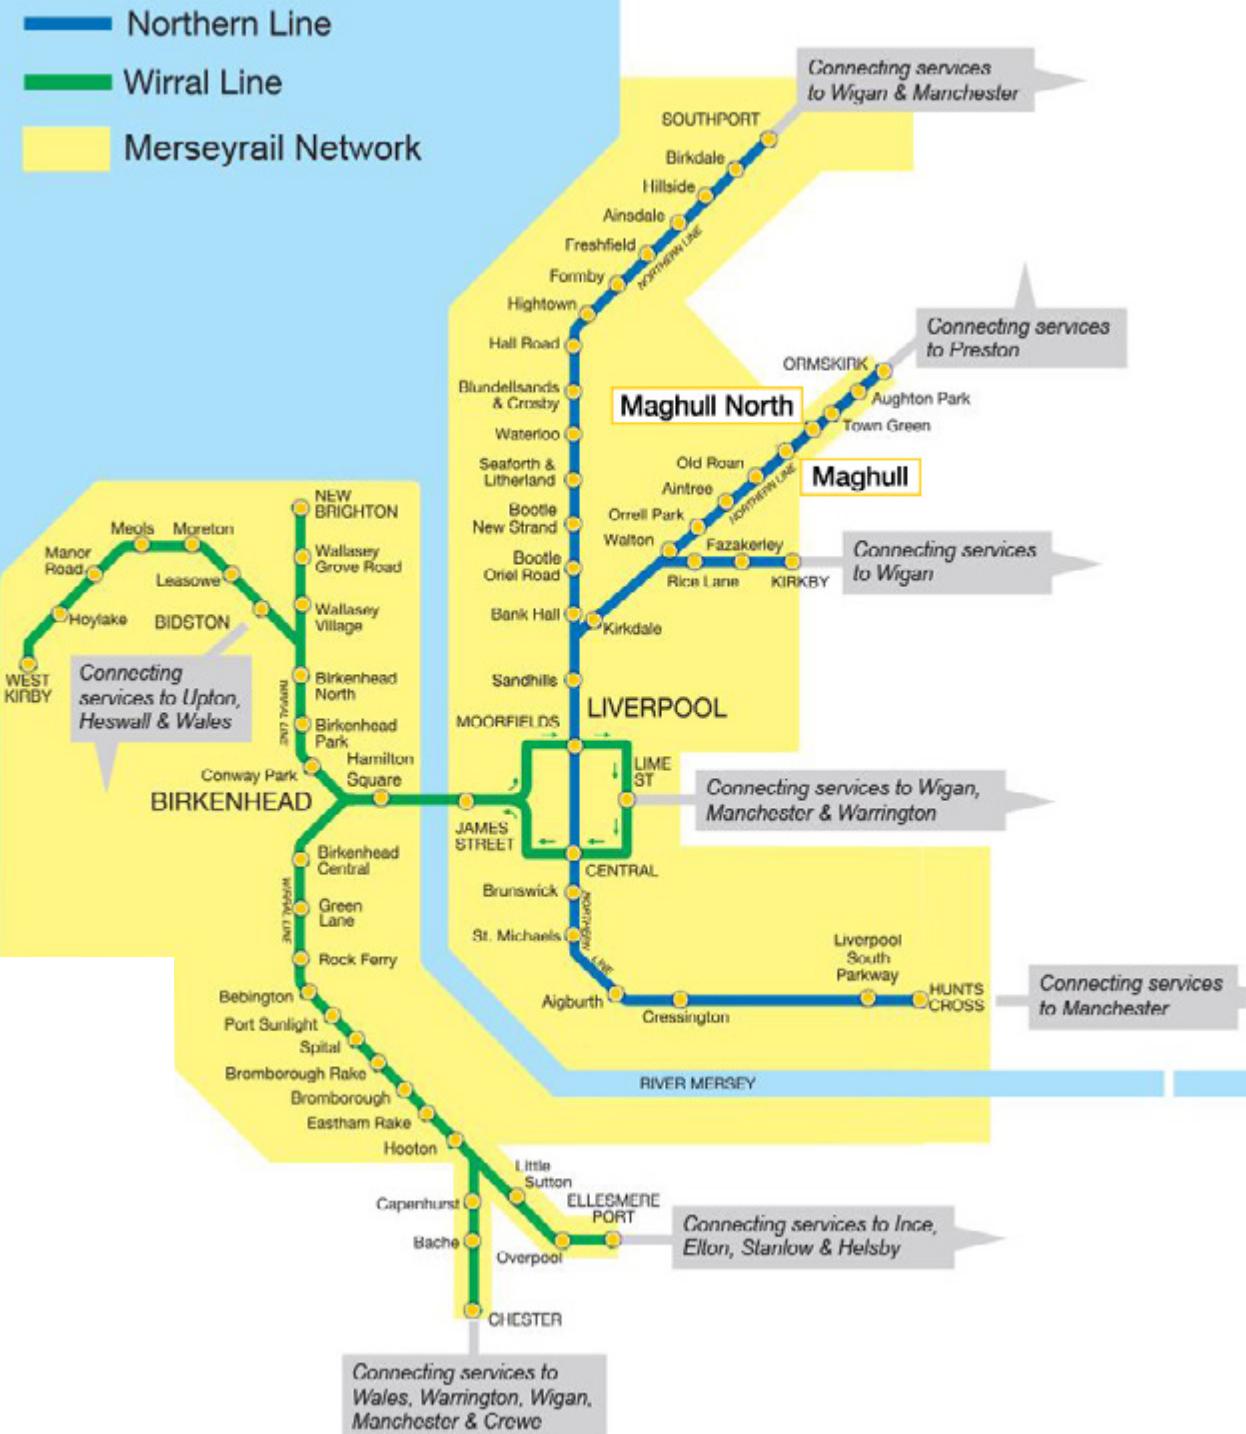

From Walton:	310
From Aintree:	300
From Ormskirk:	310

For timetables and costs, contact The Mersey Rail on www.merseytravel.gov.uk

Sixth Form Travel Bursary: All students who travel to College@Deyes on public transport have the opportunity to apply for a travel bursary to cover their travel costs.

"Sixth formers make strong and positive contributions to the school, the local community and beyond."
