March 2024

Dear Parent,

We would like to extend the warmest welcome and to thank you for deciding to join the Deyes High School community. I am delighted that you chose our school for your son or daughter and that they have gained a place here for September 2024.

Whether you know us well already, or whether this is our first time working together, I can assure you that your child will be happy, safe and successful during their journey with us here at Deyes. I am very keen to get to know you all in the coming weeks and months. Parents and carers make such a vital contribution to achievement at school, and I want to develop the relationship between home and school so that every student can excel on their journey with us. Our mission is to "Engage, Enable and Empower" each individual in order that they can develop the skills and attributes needed to live fulfilling and successful lives. Everyone in our community is committed to this positive attitude, in a nurturing and inspirational environment.

Deyes High School has a long and successful history of both academic excellence and a supportive, caring culture. We are uncompromising in upholding our core values. We are noted for combining the very best in traditional education: a smart uniform, regular homework and high standards of behaviour with a contemporary twist that has a modern curriculum at its heart. Deyes students are kind, determined and unique young people. The energetic and talented staff around them encourage them to be highly ambitious, giving them the confidence, skills and knowledge, they need to work towards their dreams every day. Ours is a fully inclusive school where we are consistently proud to say, "We are Deyes High School."

Of course, your child will also be joining the first cohort to start in our new building which is now almost ready to become our new home. We are excited to share the new facilities and the learning opportunities they present with our fabulous new cohort of students.

"Joining Deyes" events are delivered in a variety of ways and we will keep you updated on this in the coming weeks. To ensure that you have all the information you need, we encourage you to explore our website. Please do contact us if you have any further questions at this time. Our whole team will be happy to help.

We look forward to working with you as we all embark on this most exciting journey to achieve the very best for your child.

With kind regards,

Mrs Victoria L Beaney
