1. Introduction

The school recognises that its premises are a valuable resource within the community and welcomes the opportunity to enable others to benefit. However, the overriding aim of Deyes High School is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

The school's budget, which is provided for the education of its pupils, will not be used to subsidise any lettings by community or commercial organisations. A charge is to be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

The Governing Body reserves the right to:

- Decline without reason any request made to hire the school premises
- Have a representative present at any function
- Terminate any activity not properly conducted

2. Definition of a School Letting

A letting is defined as 'any use of the school building and grounds by parties other than the school'. Use of the premises for activities such as staff meetings, Governing Body meetings or where pupils are supervised by school staff, are considered school related and do not require a letting agreement.

Continuous or Block lettings are those that run for a number of weeks or terms. Single lettings are those where an individual or organisation wishes to hire facilities for a one off basis. These lettings should still be subject to a formal lettings agreement and follow the same principles as a continuous, block, letting i.e. those that run for a number of weeks or terms.

3. Management of Lettings

The Governing Body has delegated the responsibility for lettings to the Head of School. The Head of School has delegated the responsibility for the day to day management of lettings to the Facilities Manager.

A record of lettings will be kept and will include information on users, finances, incidents, accidents, enquires and any lettings refused.

4. Considering Applications for Lettings

The Head of School or Facilities Manager will decide on the approval of the application with consideration to:

- Interference of school activities (priority at all times should be given to school functions)
- The availability of facilities
- The availability of staff to open and close the premises
- The school's Safeguarding and Health and Safety policies
- Health and safety considerations in relation to the number of users, type of activity, qualifications of instructors etc.
- Adequacy of management procedures in place during the hire
- The appropriateness of the letting and whether it is deemed compatible with the ethos of the school.

5. Charges

The Governing Body is responsible for setting charges for the letting of the premises. The letting charge will be calculated to cover overheads including the following expenditure:

- Cost of services (heating and lighting)
- Cost of staffing (additional security, caretaking and cleaning) – including “on costs” e.g. employers national insurance and pension contributions
- Cost of administration
- Cost of “wear and tear”
- Cost of use of school equipment (if applicable)

All charges are agreed by the Governing Body and subject to annual review. All lettings to charitable and community groups are made without profit but will be set at a level to cover costs. Other charges are agreed by the governing body and may include an element for profit above actual costs.

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

Current charges will be provided in advance of any letting being agreed.

Rates are based on a letting period of 1 hour, which is the minimum letting period for a session.

A deposit of £40 is payable when hiring the premises which is refundable upon confirmation that everything is in order after the hire.

Origination	Authorised by	Issue No.	Page 4 of 14	Date
KWI	Deyes LGB	1		Jul 2018

All rates include a fee for the opening, closing and securing of the premises. There is no fee for cleaning of the premises. This will be the responsibility of the hirer to leave the premises in the condition they found them. If additional cleaning is found by the school to be required after a letting, then the hirer will be charged at the rate of £10 per hour or part thereof, for this cleaning.

Scale of Charges

In arriving at their scale of charges the governors have followed the principles set out below:

- that there will be parity of treatment for similar users
- that overall, the cost of letting school facilities will be recovered from users

For the purpose of charging the Head of School and Facilities Manager is empowered to determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.

User Groups

1. Commercial enterprise (profit-making) of no direct benefit to pupils of the school
2. Government funded organisations providing a service to the community e.g. health, education
3. Commercial enterprise (profit-making) which provides an extended service to pupils of the school
4. Non-profit making groups / charitable organisations
5. Non-profit making group servicing the school and/or providing extra-curricular activities

The school closes at 20.30 hours Monday to Friday and all lettings must be finished by 20.00 hours and offsite by 20.15 hours. The charges per hour are as follows:

Charges Per Hour (£'s)	User Groups				
	1	2	3	4	5
Dance Studio	£35	£30	£25	£20	£15
Gym	£35	£30	£25	£20	£15
Sports Hall	£35	£30	£25	£20	£15
Main Hall	£35	£30	£25	£20	£15
School Field	£20	£18	£16	£14	£12

Note: Hirers who fail to leave site by the 20.15 hours' cut-off time may be charged an additional hour per occurrence.

Weekend lettings may be permitted by arrangement and subject to caretaker availability.

Extension of Credit

The Governors will allow the extension of credit to bona fide local organisations and individuals where they are satisfied that these are credit worthy. In all cases, the Governors reserve the right to withdraw credit facilities where prompt payment is not received. In all cases where credit is extended, an official invoice will be issued. The Governors will not normally extend credit for lettings where the invoice value is less than fifty pounds. The governors have chosen to delegate the approval of credit facilities to the Finance Officer. In all cases where credit is advanced, the invoice is to be raised at the time of booking.

6. Safeguarding

Deyes High School is committed to safeguarding and promoting the welfare of children and young people. The responsibility for ensuring that safeguarding measures are in place rests with the third party provider (i.e. the hirer) rather than the school. Hirers providing services to children must have policies, procedures and DBS checks in place to ensure children's safety and these must be supplied to the school upon request. The school should discuss any safeguarding concerns that arise with the hirer as it is important to make sure that safeguarding standards are high and to minimise any potential risk.

7. Insurance

This Third Party Hirers Liability covers the hirer against any claim made for injury and or damage to third parties as well as damage to the hired building as a direct result from the hire. This policy is designed to cover hirers for low risk one-off type hires.

The Third Party Hirers Liability Policy is not designed to cater for any private activity groups or sports clubs, which are run on a commercial basis. Such groups should be asked to produce evidence of their own public liability insurance cover for a minimum of £2m, or £5m for more hazardous activities (i.e. karate or gymnastics). They should also produce evidence of their employer's liability cover should this be applicable.

8. Health and Safety

Under the Health and Safety at Work Act 1974 the employer is responsible for the health and safety for employees and others who are on the premises. The school will follow the health and safety guidance below for all lettings:

- The school and the hirer must ensure that the premises are suitable for the intended use.
- The school and the hirer must agree the extent of the use of premises and equipment.
- The school will ensure that the hirer is competent to use any equipment provided by the school and that all equipment is in a safe condition.
- Electrical equipment provided by the hirer must have a current Portable Appliance Test Certificate.

KWI	Deyes LGB	1		Jul 2018

- The school will ensure that the means of access and egress are safe for the hirer. The hirer must ensure that this is maintained during the letting.
- The school will advise the hirer of any known hazards prior to their letting commencing and will request that the hirer notify the school of any hazards during the letting.
- The school will provide the hirer with details of emergency procedures e.g. action to be taken on discovering a fire, fire evacuation etc.
- The hirer should have access to a mobile telephone for emergency calls. For security reasons, the Hirer will not have access to the school telephone system.
- The hirer must make suitable arrangements for first aid.
- A school Accident and Incident Form must be completed by the hirer in the event of an accident or incident occurring on the premises. A copy can be obtained from the school office.
- A member of the school's caretaking team will check that the premises has been left in a safe condition.

In addition to the above, the school will follow the health and safety guidance below for all repeat lettings:

- The hirer must have regard to the national standards of qualification, experience and competence of instructors/supervisors/coaches for sporting and other.
- The school may require the hirer to provide a risk assessment specific to the letting.
- A fire drill involving the hirer should be carried out periodically (at least every 6 months).
- The hirer is responsible for ensuring that a Personal Emergency Evacuation Plan (PEEP) is drawn up for anybody attending their session that has a physical or mental impairment which would affect their ability to evacuate in an emergency.
- The hirer must keep a register during their letting for use in an emergency evacuation.

9. Other Conditions of Hire

No person under the age of 18 is permitted to hire school premises.

The school does not permit the consumption of alcohol or gambling of any sort within the school site. Failure to adhere to this will lead to any future lettings by the hirer being revoked.

Animals, other than Guide Dogs, are not permitted anywhere on the school premises. This is purely on grounds of hygiene.

10. Policy Review

This policy will be reviewed by the Head of School every 2 years. Any changes are subject to approval by the Governing Body.
