Family Friendly Working Policy (LLT)

1. INTRODUCTION

The Lydiate Learning Trust recognises that many of our staff have caring responsibilities within their families. The Trust acknowledges that these staff will work best against a background of working for an employer who is aware of the legal obligations and has considered procedures which comply with, and compliment, these obligations.

2. PURPOSE, SCOPE AND PRINCIPLES

This policy is designed to give clear guidance on what staff can expect of the Lydiate Learning Trust as their employer and what the Lydiate Learning Trust expects of its employees in return.

This policy applies to:

- all staff who are employed by the Trust, including the Head teacher;
- all staff that are attached to the Trust schools.

The policy does not apply to:

- peripatetic/other staff who are centrally employed by the LA or are self-employed;
- employees of external contractors and providers of services (e.g. contract cleaners).

3. FLEXIBLE WORKING

3.1 Who can exercise the statutory right to request flexible working?

The following eligibility criteria apply to flexible working requests

- The employee must have at least 26 weeks' continuous service
- Only one statutory request can be made in any 12-month period.

3.2 What kind of change can be applied for?

Employees can apply for:

- A change to the hours they work
- A change to the times they are required to work
- A change to the place of work (as between their home and any of the employer's workplaces)

3.3 How does an employee make a request?

An employee's application must:

- Be in writing and dated
- State it is an application under the statutory procedure
- Specify the change sought and when they wish the change to take effect
- Explain what effect the employee thinks the change would have and how it could be dealt with
- State whether the employee has previously made an application to the employer and if so, when

3.4 How will the Lydiate Learning Trust deal with a request?

The Lydiate Learning Trust will

- Deal with the request in a reasonable manner
- Discuss the request with the employee (employees will be offered the opportunity to be accompanied by a colleague or union representative during the discussion)
- Notify the employee of the Trust's decision within 3 months from the date of the request unless a longer decision period is agreed between both parties.
- Issue a new fixed term or permanent contract for the employee to sign based on any agreed changes (employees cannot insist on a trial period but if the employer is unsure about a request, they can offer a trial period).
- Schedule a review to ensure the change is working.

Reasons why a request may be rejected

The Lydiate Learning Trust may refuse a request on the following grounds:

- The burden of additional costs
- Detrimental effect on ability to meet student's needs
- Inability to reorganise work among existing staff
- Inability to recruit additional staff
- Detrimental impact on quality
- Detrimental impact on performance
- Insufficient work when the employee proposes to work
- Planned structural changes

Appeal process

If the employee is not satisfied with the written explanation and is not satisfied that the grounds the request has been rejected on apply to their case, then the employee has the right of appeal against the Trust's decision.
