Lydiate Learning Trust is committed to the promotion of effective communication between Students, members of Staff, Parents/Carers, Stakeholders, Directors, Governors, and all members of the Lydiate Learning Trust community and beyond.

Our objectives are to:

- Have a clear and professional communication strategy in place which will help Lydiate Learning Trust to keep parents/carers well-informed about their child's educational progress and any other matters related to their child's overall well-being.
- Make our written communications as accessible and inclusive as possible. We seek to avoid bias, stereotyping or any form of discrimination.
- Be open, honest, ethical and professional using jargon-free, plain English that can be easily understood.
- Ensure there is a robust process in place for consultation between the Trust Board, Academies, Parents, Staff and Students on key areas.
- Ensure that the systems in place are fully aligned to the Trust Vision and Values.
- Recognise that monitoring and evaluation of communication issues through regular meetings and discussion with Students, Parents, Staff, Directors and Governors is an on-going consideration. In the context of a growing organisation it is particularly important to review systems and facilitate the best possible communication at all stages of the Trust's development.

Efficient and effective communication is essential at all levels including:

- Between Directors.
- Between the Board and Academy Governance Committees.

- Beyond Lydiate Learning Trust.

3.2 Electronic Communication for Staff

- All members of staff have their own Lydiate Learning Trust/Academy email account and must ensure they use the official Lydiate Learning Trust/Academy signature strip on all internal and external emails.
- Staff must consider the best way to communicate according to each situation, recognising that email should not be used as a substitute for face- to- face communication.
- Staff must be mindful of the tone and propriety of their email communications and ensure that their written correspondence is always appropriate and professional. Email must not be used as a text or social service.
- As Lydiate Learning Trust encourages staff to have an appropriate work/life balance, staff are not expected to write and respond to emails outside of Academy hours. It is expected though that emails are responded to within two Academy working days. If the response is to Parents, this should be as soon as possible or within 24 hours.
- To ensure effective management of emails, please be mindful of who is “cc’d” into an email. It is helpful to use the cc function if the information will be directly useful to your colleague.
- It would be inappropriate to discuss issues of a sensitive nature by email. Although not exhaustive, sensitive issues may include addressing staff performance or student performance and behaviour. Issues of this nature should be conducted in a face-to- face manner, with minutes taken as necessary.
- Communicating with parents and staff members must be carried out via the academy email address and not via a personal email address.
- Engaging in personal correspondence with students is not allowed.
- Sending of chain emails is not allowed.
- Embedding of adverts is not allowed.
- Use of Microsoft Team’s for all staff to share the trust wide vision.
- Staff to utilise Microsoft teams as a platform to discuss working documents, sharing best practice and conversations linked to these documents.
- Use of teams to perform meetings at cross site level or to host training events.
- The use of other meeting platforms (as approved by the Trust) to be used where appropriate. Online meetings should only take place when appropriate meetings can’t take place traditionally or in agreement with the meeting host. Meetings will explicitly follow the correct procedure; confidentiality of information, secure access to the meetings.

3.3 Social Networking Sites/Blogs for Staff

- Staff will not communicate with students or parents via social networking sites/personal accounts such as Facebook, Twitter, Instagram etc.
- Staff will not accept personal ‘friend’ requests from students or parents.
- Academy/class blogs may be set up specifically for the purpose of teaching and learning and will be carefully managed and monitored. Only official designated users may use social media on behalf of the academy.
- Staff should not use their personal devices to access social media at any time on academy premises.
- When using social media outside of the academy for personal use, all employees must remember that they are personally responsible for their actions. There is an expectation

5. COMMUNICATION BETWEEN LLT BOARD AND SUB COMMITTEES INCLUDING THE AGCS.

5.1 Sub-committees of the Board have delegated responsibilities. The AGCs are the sub committees at Academy level. Effective communication between the Board and the AGCs is vital so that:

- The Board has an accurate, up-to-date picture of education provision across the Trust and is able to take this into account in its strategic planning and decision-making.
- The views of the Academies, through their AGC, are reflected to the Board.
- Policies and decisions made by the Board are effectively implemented.

5.2 In order to facilitate communication, the following systems are in place:

- A standard item is included on each AGC agenda to receive feedback from the Board of Directors. This will be covered by the Headteacher and/or Chair.
- All AGCs have a direct link with the Board via the Chief Executive Officer (CEO) or Director of Academy Improvement, who on request, can attend the AGC to discuss any items - providing that reasonable notice and information is provided.
- All AGC minutes are available to Directors via GovernorHub.
- The Chair of an AGC can highlight any issues, queries or seek clarification from the Board via the Clerk.

6. Communication between LLT Academies

6.1 Close collaboration between Academies is an expectation of the Trust.

Academy Headteachers continue to work closely with the Executive Team (the CEO, Director of Academy Improvement, Director of Finance & Director of HR) to ensure that expertise is effectively shared across the Trust.

6.2 Academies are also encouraged to celebrate the successes of other Trust academies, publicising “good news” stories to aide cohesion.

Methods of communication include:

- Email
- Academy Newsletters
- Academy Websites
- Lydiate Learning Trust Newsletters and Bulletins
- The Lydiate Learning Trust Website
- Authorised Lydiate Learning Trust Social media e.g. Twitter
