

Team Deyes

Continuing Learning Information for students

From week beginning Monday 4th May, work for years 7,8,9,10,12 will be set using Show My Homework

Class teachers will set work each week. Work can be accessed using Show My Homework. Please check this resource regularly
To log into Show My Homework students should use their school email address and password

Ensure you read and use the [Guide to Home Learning](#). This will help to provide structure and support whilst working at home

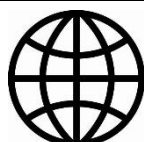

Your subject teachers will inform you what work you need to submit to them. Requested work should be submitted to teachers using Show My Homework. This [guide](#) shows you how to upload and send work

You do not need to email all of your work to teachers

Thank you and well done to students who have submitted examples of their best work

Please continue to check the school website for updates and information

Thank you for all your hard work and support

Take care – stay safe
