WHAT IS DEMOCRACY?

Democracy is about developing a culture built upon freedom and equality, where everyone is aware of their rights and responsibilities and everybody can contribute to make a collective difference.

DEMOCRACY AT DEYES

Making decisions together:

- Through student leadership roles such as Student Council and Future Focus Group
- Through regular student voice
- Through in-school elections
- Through evaluation of your learning and progress
- Through contributions to the curriculum

To excel in all that we do so that everyone flourishes and achieves their full potential

Oak National Academy: Biggest school assembly of all time

Oak National Academy (a Government backed online resources platform for students to use during lockdown) is hosting a weekly assembly. These assemblies have a theme each week and are available on the Oak National Academy website every Thursday from 11am.

According to their website, “These assemblies are opportunities for us all to come together, hear from some inspirational guest speakers, and to think and talk about wider things affecting us”.

The first assembly is all about ‘hope’ and includes students, the Government’s Education Secretary and the Archbishop of Canterbury.
