Dear Parents and Carers,

I hope you and your families are well during these unprecedented times.

You will be aware that the Lydiate Learning Trust Board met on Wednesday 20th May to discuss plans for the slow and gradual introduction of face-to face provision for students in Year 10 and 12. We are writing to update you on the outcome of this meeting.

The board considered a comprehensive risk assessment, the significant difference of opinion, nationally and regionally, and all evidence provided to date.

At this time, there was a unanimous agreement that, despite our shared desires to resume face-to-face education in preparation for examinations in 2021, the safety and wellbeing of the Deyes High School community comes first.

With this as a priority, the decision was taken to delay the commencement of face-to-face provision and for the board to hold a further meeting on Monday 1st June 2020. For now, all students will continue current remote learning until further notice and we ask for your continued support in ensuring full engagement from students in this work.

If your child is struggling to access any aspect of this work, please do not hesitate to contact emailhelp@deyeshigh.com or your child's Form Tutor.

We, once again, thank you for your continued support, understanding and patience as we navigate these uncertain times in the very best interests of all at Deyes High School.

Yours sincerely,

Mr P Duffy
