DEYES HIGH
SCHOOL

THE PURPOSE OF THIS PRESENTATION

As you will be aware by now, Deyes will be starting to welcome Year 10 and 12 students back to school for short face to face sessions from Monday 22nd June onwards

We fully appreciate that you may be a little worried about returning to school after so long at home so this detailed presentation aims to help by explaining how it will happen

To excel in all that we do so that everyone flourishes and achieves their full potential

PREPARATIONS FOR YOUR RETURN: CLEANING

During the lockdown weeks, the school site has been 'deep cleaned'

Classrooms used for sessions will be cleaned after each session (Mon-Thur)

Students will only be in school for 4 days of each week so that Friday can be spent cleaning the school

ARRIVING AT & ENTERING SCHOOL

Whenever possible, try to walk, cycle or receive a lift in to school

If you are using public transport such as a bus then please follow Public Health England guidance and use an appropriate face mask. If you wish to continue wearing a face mask during your time at school, you must replace it with a clean one upon your arrival (one will be provided if you don't have a spare). There is no obligation for any student to wear a face mask in school, as per Government advice however we will provide one if you wish.

Arrive on time for your session and leave site once your session is complete, heading straight home

Your arrival times have been staggered so that you are arriving in very small numbers and can socially distance as you sign in

MAKING YOUR WAY AROUND

A one-way system around the school has been designed and is signposted with yellow signage that indicates the direction of travel including staircases and doors.

This signage includes reminders that 2-metre social distancing must be maintained on the corridors

Doors have been wedged open to avoid the need to touch door handles

Rooms not in use are indicated by taped crosses on the doors

SOCIAL DISTANCING & STAYING SAFE

The largest rooms across the school will be used so that you can observe social distancing (e.g. desks spaced out)

You have been split into 'bubble groups' that are no bigger than 8 students to ensure social distancing can happen in classrooms

Each room will be cleaned after each session

Fabric chairs have been removed and replaced with plastic chairs that can be wiped clean after each session

Sanitising hand gel will be available in classrooms, however it would be best if you could bring your own supplies

FACILITIES ON SITE

Each room being used will have a sanitiser station which you should use as you arrive and leave

You should only enter the rooms you are allocated to and must avoid entering other rooms

Toilet facilities will be available but we ask that only one person enters at a time. Please use the hand washing and sanitising facilities before you leave the toilets

FOOD, DRINK & STATIONERY

Food and refreshments will not be provided by school when you attend so you need to bring their own to school with you. Please do not share your food or drink with anyone else

You are encouraged to bring your own stationery and equipment to avoid handling equipment that isn't your own. If you need school to provide you with a pen, then you will be asked to keep it and take it home with you

COVID-19 SYMPTOMS

If you display symptoms on the government's published list for COVID-19 before travelling to school or whilst at home, please do not attend school. Parents/carers should call school as they would on a normal day and explain that you won't be in and why

*Please try
not to
worry
about this*

If you were to display any of the symptoms during the school day, you will be looked after in school until contact can be made with home and arrangements made for you to go home. The room you use will be disinfected immediately after you leave
