Dear Parents and Carers,

As you will be aware, yesterday, the Secretary of State for Education, Gavin Williamson, announced the government's ambition for schools to open to all children from September and their guidance for doing so.

Trust and school leaders are now in the process of reviewing this guidance in preparation for September. As always, the safety of the entire Deyes community is of the utmost importance to us and the same rigorous risk assessment process is being conducted.

We will write to confirm the details of these plans once they have been confirmed and approved by the Trust board.

Government guidance for parents in preparation for September can be found at: <https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-in-the-autumn-term>

In the meantime, it has been fantastic to see students back at school for their face-to-face tutorials. We hope students have found this reconnection with school as rewarding and uplifting as we have.

Yours sincerely,

Mr P Duffy
