Generating Design Ideas

Detailed Explanation of ideas to explain your thinking or how the idea will work

Additional Research that helps you generate ideas and should be added into the ideas section.

(This section helps you find out what you don't yet know e.g. wire location on rear of PS4/Xbox to help with hole positions when designing back of storage system)

Important topics to help explain your ideas

- How does the design meet the spec
- Materials
- Style/Theme
- Safety
- Type of Finish
- Size
- Possible Issues
- Customer wants & Needs
- Production types
- Features

Who to contact

You can email **your class teacher** if you have any questions regarding the activities set.
