Year 13 Chemistry

Work for individual students not attending school

Half Term 3: January

Pupils who are absent should select the lesson activity that they are up to

- Follow the initial link to view a notes file.
- Read through each section of the notes before attempting the questions related to the work
- Mark each topic after you have completed it by using the link to the topic answers.
- After completion of topics 1-3 attempt the question booklet and then mark it with the answers.
