

# Deyes Staff Profile

**Name:**

Mr Collins

**Role in school:**

Teacher of Science

**Where you can be found:**

Room 59

**What you do as part of your role:**

Teach science at Key stage 3, Key stage 4 (GCSE) and Key stage 5 (A level). As a science teacher I encourage students to develop a curiosity for, and an understanding of the world (and universe) around them. The goal is to help students understand scientific concepts and phenomena and develop an analytical mindset so that they can evaluate information and form their own conclusions and opinions.

**Hobbies and interests:**

Watching movies

Playing video games

Watching football

Keeping fit

**Favourite things.....**

**Book:** I have enjoyed the horror genre since I was a teenager (mostly Stephen King novels).

**TV show/film:** Jaws

**Colour:** Red
