Name: **Mr Sharman**

Role in school: **Assistant Director of Learning - Science**

Where you can be found: **Room 61 or Science work office**

What you do as part of your role:

- Teach Science to students across the school from Year 7 to Year 13 with the aim of inspiring and enthusing students to develop a passion and enjoyment of Science.
- Run Science Club with the assistance of the rest of the Science Department.
- Monitor development and progress of students within Chemistry and the wider science department.

Hobbies and interests:

- I am the Commanding Officer at 1026 (Ormskirk) Squadron Air Cadets.
- I am also a member of a local Archery club, as well as being an Archery GB Instructor.
- I am interested in anything related to aviation, and love to attend air shows.
- I love Science (which is why I went into this job) because I love to perform various experiments that are cool to watch.
- I am a big football and F1 fan, so I will always make time to watch the games or races. I support Ipswich Town FC as it is where I am originally from and have always been a fan of McLaren F1 Team.
