

Deyes Staff Profile

Name:

Mr Wright

Role in school:

Assistant Director of Learning Design Technology

Where you can be found:

In room 12 or the Technology Department

What you do as part of your role:

I teach Design & Technology, where I aim to **inspire** creativity, problem-solving, and practical skills in all pupils. My role involves guiding students through the design process—from concept to creation—using a range of tools, materials, and techniques. I also teach Construction at KS4, providing students with the opportunity to explore a range of trade skills and gain practical, hands-on experience across different areas of the industry.

Hobbies and interests:

In my free time, I enjoy playing a variety of sports, as I've always been very active and sport minded. I also love spending quality time with my son, especially paddleboarding together and going on trips away.

Favourite things.....

Book: Lord of the rings

TV show/film: Coach Carter

Colour: Red

Football team: Liverpool FC
