10<sup>th</sup> February 2022

Dear Parents and carers,

This half term has flown by with so much happening at school for all of our students and we have reached the February holiday. Though the half term has been disrupted for some students, we are very pleased with the way in which all have applied themselves to their learning whether in school or remotely. Thank you for your support in communicating lateral flow test results and for your determined efforts with school attendance. Our students continue to demonstrate their resilience in the face of ongoing challenges.

### **Half term and Reopening**

Please note that we are closed to students as per our calendar on Friday 11<sup>th</sup> February and the following week is half term. We re-open to all students on Monday 21<sup>st</sup> February 2022. We would like to remind you that our start time is 8.40am. By this time students should be in their form rooms having the register taken. We are supporting students' punctual entry to school through our line ups at 8.35. We therefore ask for your support in ensuring that your son/daughter is at school in good time to do this.

### **Uniform**

We are always working hard to ensure the highest standards of uniform at Deyes High School and strongly believe that students' smart appearance contributes significantly to their overall achievements, confidence and pride in their community.

Currently we are undertaking a review of the uniform and the school policy on this. We are discussing the topic with students and would also welcome your thoughts on the current dress code. Please feel free to let us know your ideas and views.

### **Home School Communication**

Thank you for your patience with our communication channels. We are currently in the process of moving to a new platform for home school communications which we are looking forward to sharing with you next half term. This will allow you to; access a range of information about school, timetables, register absence, check homework and view reports - amongst many other features. We are certain that you will find this facility useful and informative. I will write to you again very soon with full details.

I would also like to wish you a very restful half term, when it arrives, and I hope you are able to spend some enjoyable time with your family.

With kind regards

Mrs Victoria L Beaney  
Head of School
