21 February 2022

Dear parents and carers,

**Re: 2022 examinations**

Earlier this week the examination boards released more information about the exams students will sit this summer.

We have prepared a summary of everything we know about the examinations for every subject, and this is attached for your reference.

Class teachers and subject leaders are already working with students on this and after half term we will provide additional information sessions through assemblies and form time.

Further details will be communicated to you as soon as we receive them.

In the meantime, please don't hesitate to contact us if you have any questions.

With kind regards.

Mrs Victoria L Beaney  
Head of School
